Meet Dr. Jayashree Kyatam

Dr. Kyatam is a gentle, caring dentist who uses the most advanced materials and procedures available. She practices comfortable, health-centered dentistry with a strong emphasis on getting to know each of her patients. In addition to her technical proficiency, Dr. Kyatam is a careful listener and will explain beforehand what treatment is best for your individual needs.

Dr. Kyatam received her doctorate from the Boston University School of Medicine. She has since taken many continuing education courses, including those in nitrous oxide and oral sedation, and various courses in cosmetic dentistry including veneers and Lumineers™. Dr. Kyatam is a member of the American Dental Association, Texas Dental Association, and the Academy of General Dentistry.

Dr. Kyatam looks forward to your visit and to showing you how exceptional dentistry can improve your life.
