In Regards to: Joining Our Clinic

Dear New Patient:

Thank you for your interest in joining our clinic. We pride ourselves on quality care and anticipate your arrival. We look forward to developing a long Doctor and Staff relationship with you as our patient.

Your appointment card is included and the date is approaching in the near future. If you could, please take a few moments and fill out the enclosed forms (a patient information sheet, a medical history sheet, and a HIPAA consent form) before your appointment. This will save you time in the waiting room before your appointment.

It is necessary for us to have current x-rays for you as a new patient. If you have x-rays from a previous dentist within the last year, please bring them with you to your appointment. If none are available, we will be taking x-rays at your visit.

If you have questions, need to reschedule or cancel your appointment, please call us 24 hours prior to your scheduled date so we can work around your needs. Our number is 715-483-5026.

Thank You,

Dr. Uddin and Staff
