

Free Teeth Whitening For Life

Teeth whitening is a simple, non-invasive cosmetic dentistry treatment used to brighten the color of natural tooth enamel and is an ideal way to enhance the beauty of your smile. **Our Free Teeth Whitening for Life** program helps you maintain a beautiful, healthy smile through regular dental care! Our patients receive free at-home teeth whitening gels every time they visit our dentist office. *Some restrictions apply, please see offer terms and conditions below.

Simply complete the quick sign up form on the right or call us at 718-728-1828 to schedule your appointment and get started today! Please be sure to mention promo code DITMARS13.

Act now – offer valid through Saturday, March 30, 2013.

A Dental Office You Can Trust For Comfortable, Affordable Dental Care.

We want you to have an opportunity to visit our dentist office, get to know our dentists and professional dental care team and see for yourself why so many satisfied patients keep coming back!

About Ditmars Dental Concepts

General dentists Dr. Paul Symeonides and Dr. Maria Vartholomeos and their team provide complete family dentistry services to Astoria, NY and the surrounding communities in a relaxing, comfortable atmosphere. Our dental office is conveniently located in the heart of Astoria at 31-14 Ditmars Boulevard, Astoria, NY 11105.

Whether your dental needs are a complete exam and cleaning, a full-mouth restoration, or anything in between, we promise to provide you with exceptional care as we enhance the natural beauty of your smile. With every check-up and cleaning appointment you will receive an at-home teeth whitening treatment, free of charge!

Below are some of the many dental procedures and procedures we regularly provide to our patients – with a gentle touch, and stunning results. Your smile is our first priority, and we'll give you something to smile about.

- Complete family dentistry and dental services including dental exams, X-rays, teeth cleaning and dental composite fillings.
- Affordable cosmetic dentistry and dental cosmetics, including teeth whitening / teeth bleaching, cosmetic dental surgery, porcelain veneers, smile makeover, dental composite fillings and other cosmetic dental procedures.
- Emergency dental work, including wisdom teeth, tooth extraction, root canal therapy, emergency dentist treatment and immediate dental care / urgent dental treatment.
- Hygiene services, including gum disease treatment, scaling and root planning.

- Restorative dental services, including chipped tooth repair, dental bonding, dental crowns / tooth crowns, dental bridges, dentures, implant dentistry / dental implants surgery and tooth implants.

How the Free Teeth Whitening For Life Program Works

Ditmars Dental Concepts strives to provide each and every one of its patients the ultimate in dental services by providing superior performance in dentistry so we can have a positive impact in our patient's smiles and lives. Every time you visit for a checkup and cleaning, just ask and we'll include an at-home teeth whitening treatment kit. New and existing patients are eligible to receive at-home teeth whitening treatment when visiting our dental office for treatment. Once you enroll in the program, you will receive:

1. Custom, professional whitening trays
2. Whitening gel – 1 tube*
3. A bleach instruction pamphlet

*Additional whitening gel (1 tube per bi-annual visit, 2 tubes per year maximum) will be provided with bi-annual hygiene appointments.

Free Whitening Program Requirements

To be eligible for the program as a Ditmars Dental Concepts patient, you must meet the following requirements:

- Complete prescribed new patient exam, x-rays and a cleaning with Ditmars Dental Concepts.
- Have all tooth decay removed within one year. This is required in order to prevent complications that may arise with unhealthy teeth and gums.
- Stay current with your Ditmars Dental Concepts account.
- Be at least 18 years old, not pregnant or nursing.

***Offer Terms and Conditions**

For legal reasons, this offer may not be combined with any dental insurance benefits. Ditmars Dental Concepts reserves the right to refuse on-going whitening treatment if deemed necessary based on patient health conditions, misuse, abuse, or any other factor deemed necessary to void the offer. Lost or destroyed custom trays will be replaced at cost to patient. Patients who lose eligibility will then need to complete 2 prescribed hygiene care appointments and/or restore all decay to be reinstated in the Free Teeth Whitening for Life program. New patient exams must be completed by one of our general dentists. Offer valid through Saturday, March 30, 2013.
