Aesthetic Restorative Dentistry

Rose Tree Office Campus Building

1223 North Providence Road

Media, Pennsylvania 19063

(610) 566-5555

Welcome,

Our office is open Monday through Friday. We respect our patients' time and make every effort to remain on schedule. We also try to complete treatment in as few visits as possible. Because we are considerate of our patients' time, we have found that they are considerate of our time. We require 24 hours notice if an appointment must be changed.

It is our joint responsibility to see that your teeth and gums are properly maintained. We have adopted a customized preventive recall system suited to each individual's needs. Preventive recall visits promote superior health.

We are well versed regarding dental insurance and will do everything possible to help you obtain maximum benefits. We shall assist you in determining your available coverage and will file your claim for you. We ask that you assign your insurance benefits to us and after insurance benefits are received, any outstanding balance is your obligation.

In an effort to control costs while maintaining a high level of professional care, we offer a variety of payment plans. We accept cash, personal checks, Visa or Master Card.

Please bring the completed information forms with you.

We look forward to seeing you

Sincerely,

Warren F. Renneisen D.M.D.
