

Financial Policy

We would like to ensure that all of our patients have the opportunity to receive the dental treatment that they need. Dunwoody Dental has financing options with Care Credit. If you are approved for this program, we will pay the accrued interest, which enables our patients to receive long term interest free financing. Financial arrangements should be made prior to scheduling appointments. If no financing arrangements have been made, all payments are due at the time services are rendered.

If you have dental insurance, we will gladly file the claim as a service to you, and work with your insurance company on your behalf. We will send x-rays and photographs if necessary to maximize the chances that your claim will be paid. However, in the event that a claim is denied or estimated benefits are insufficient, you will be billed the balance after 30 days. We reserve the right to charge a late fee of \$25 to account balances that are over 90 days past due.

Please give 24 hours notice if you need to cancel an appointment. This allows other patients who are waiting for treatment to schedule an appointment. Failure to cancel with sufficient notice will result in a charge of \$50.

For appointments over 2 hours we require 2 business days notice if you need to cancel. If there is not sufficient notice you will be charged \$50 per hour that you were scheduled.

To ensure the best treatment we only use high quality material for all of our crowns. If you have insurance that we are a PDP provider for, they may downgrade the material to a lower quality. It is our policy that we will add an upgrade fee of \$125.00 to any crown/veneer so we can uphold our standard of care.
