

Introduction to CareCredit® Payment Plans

Earney Dental Associates, Inc. is pleased that you have selected us as the provider for your Dental Health needs. We are committed to providing you with quality care to address your individual needs, which includes providing treatment-financing options.

CareCredit patient payment plans provide payment options that are designed to work within your budget. Information on available plans, qualifications, and credit decisions may be obtained by:

- 1) Completing an application in our office
- 2) Completing an online application at CareCredit.com
- 3) Calling CareCredit at 1-(866)-834-3207.

Please notify us immediately upon your decision to utilize CareCredit and your credit approval so that we may transfer your current balance to your new payment plan or schedule the treatment you desire.

Please feel free to contact our office at (330) 674-8080 should you have any questions. We appreciate the trust and confidence you have placed in us and look forward to seeing you at your next appointment.

Sincerely,

Earney Dental Associates, Inc.
