What if
I don't have
dental
insurance?

**No, problem.
We have the solution...**

*Please call for
pricing and details!*

Some employers don't provide dental plans, and individual plans are expensive. If you've had to pay for care entirely out of your pocket, Frederick Dental wants to help. We now offer an affordable dental membership plan that bypasses traditional insurance companies and offers peace of mind. The one-year membership includes:

- Two Check-ups.
- Two routine cleanings.
- All x-rays associated with check-ups.
- Two fluoride treatments for children up to 18 years old.
- Free consultations.
- Oral cancer screenings.
- Two emergency exams.
- Two periodontal cleanings at a 20% discount.
- A 20% discount on other in-office services.*

** This membership plan cannot be combined with insurance, PPO's or Worker's Compensation. Treatment by a specialist and some cosmetic procedures are not included.*
