Practice Financial Policy

We are committed to providing you and your family with the best possible care and are pleased to discuss our professional fees and your insurance coverage with you at any time. Your clear understanding of our financial and insurance policies is important to our relationship. Please ask us, at any time, if you have any questions about this policy.

- All patients must complete and sign the Patient Registration and History form before seeing the Doctor.
- We accept most insurance plans and will gladly process your claim. Please notify us of any changes in your insurance plan and bring your current insurance card to each visit. Insurance policies generally cover only a portion of the total treatment cost. *Unless other arrangements have been made, we ask that you pay your portion of the bill at the time of treatment. It is your responsibility to pay any balance not paid by your insurance company.*
- For your convenience, we accept cash, personal checks, Visa, MasterCard, Discover, and American Express. Financing is also available through Care Credit.
- Forty-Eight hour notice is required when re-scheduling or canceling an appointment. A cancellation fee may be assessed for broken appointments with less than forty-eight hour notice.
- Treatment plans may change, and you will be responsible for the treatment actually completed.
- For your convenience, this office may release your information to your insurance company, and receive payment directly from them. Every effort will be made to help you with your insurance, however, the insurance company, not our office, determines the dental benefits that you receive. The estimated insurance coverage is not a guarantee of payment and is between you and the insurance company. All charges are your responsibility. Please keep your insurance information current by notifying us of any changes in employment and insurance coverage.
- If sent to collections, you understand that it is your full financial responsibility to pay all court costs and all collection fees and/or attorneys fees.

I authorize the dentist to release any information including diagnosis and the records of any treatment or examination rendered to me during the period of such dental care to third party payors. I authorize and hereby request my insurance company to pay directly to the dentist insurance benefits otherwise payable to me. I am responsible for payment regardless of insurance company's arbitrary determination of reasonable and customary rates. I understand that payment is expected when services are rendered unless other arrangements are made in advance. I have been given a copy of the HIPAA.

Patient Habits

Although you may not be aware, many common habits can affect your oral health. Please take a moment to review the chart below and indicate which box reflects your habits. Your honesty is important and, as always, your responses will remain confidential.

Habit	I do this now	I used to do this	How long?	How much?	I don't do this
Grind your teeth					
Bite or chew your cheek					
Bulimia Anorexia					
Smoke cigar or Cigarettes					
Smoke pipe					
Chew tobacco					
Bite nails					
Suck thumb or finger					
Use a toothpick or stimulator					
Chew gum					
Eat candy					
Soft drinks					
Crunch hard foods (like popcorn)					
Chew ice					
Suck on mints or candies					
Use recreational drugs

ViziLite Plus Exam

ViziLite® Plus
ORAL LESION IDENTIFICATION AND MARKING SYSTEM

This enhanced examination is recognized by the America Dental Association code revision committee as CDT-09 procedure code D0431. Our office experience tells us that your insurance carrier most likely will NOT cover this expense. The fee for this enhanced oral cancer screening test is $69.00.

Increased Risk: patients ages 18-39
High Risk: patients age 40+; tobacco user (any age, any type within 10 years)
Highest Risk: patients age 40+ with risk factors (tobacco and/or alcohol use); previous history of oral cancer

An annual ViziLite Plus exam, in combination with a regular visual examination, provides a comprehensive oral screening procedure for patients at increased risk for oral cancer. The ViziLite Plus exam is painless and fast, and could help save your life.

- First, you will be instructed to rinse with a cleansing solution.
- Next, the overhead lighting will be dimmed.
- Then, we will examine your mouth using ViziLite Plus, a specially designed light technology.

You are: ☐ Highest Risk ☐ High Risk ☐ Increased Risk

Yes. I authorize Patton Smiles to perform the ViziLite Plus exam along with the standard oral cancer examination. I accept financial responsibility for this enhanced examination.

Print Name: _____

Signature: _____ Date: _____

No. I would prefer not to have the ViziLite Plus exam at this time.
