

Please know on April 21st, 2020, the Rhode Island Department of Health advised dental offices to continue to postpone preventive and routine dental care until further notice. Therefore, we will continue to restrict patient care to dental emergencies only.

Our office will be open Monday through Friday 9AM to 1PM to reschedule your appointments and assist you with your dental concerns or dental emergencies.

We are in the process of calling patients to reschedule appointments affected by this change.

If you need assistance regarding emergency treatment or have questions, please call during those hours.

If you have a dental emergency beyond those hours, that you feel cannot wait, please call our office and our after hours message will give you further instructions.

You are all important to us and we are committed to helping you return to your normal dental care routine as soon as this crisis passes. We are here for you if you need us.

Please continue to do your part to help prevent the spread of this virus.

Stay safe.

The Office of Rebecca J. Woodward, D.M.D.
Adam S. Kaufman, D.M.D.
